Bring Sun into other's life, and shine is reflected on yourself!
(Free style on Sir James Mathew Barrie)

Dear Madam/Sir,

We thank you for bringing in sun – energy into our society!

As manufacturer, importer, distributor in the Solar PV and/or Solar thermal sector you will probably attend one of the most important events, the Intersolar 2010 in Munich from 9 until 11 June 2010!

We kindly invite you to visit our booth at Hall B5 booth 776.

Kiwa will introduce her testing and certification services on Solar PV Modules, Solar Thermal collectors and systems and other, renewable technologies like fuel cells, heat pumps, mCHP installations and other.

We really look forward to welcome you at our booth at the Intersolar 2010 in Munich. Let's have a chat and drink in great atmosphere!

Hope to see you in Munich!

With kindest regards,

Leendert van der Marel
Commercial Manager
